

1 September 1977

NOTE TO: Mr. Sid Graybeal
Director, OSR

Many thanks for coming down this morning to meet on the U.S. News and World Report proposal.

After you left I talked to Joe Fromm from U.S. News who agrees wholeheartedly that we should get together to discuss parameters, ground-rules, etc. He will call me on September 26th after his return from Europe to set up such a meeting.

HEH
